Welcome to Middle School – you’re a Maverick now! To prepare for middle school we suggest you check out our website, read the handbook, watch our videos and attend events at the middle school. These resources will help you become familiar with the school, teachers, staff, processes, and expectations. Try to answer these questions as you learn more about Spring Hill Middle School!

Where do you go when...

there is a student assembly?

you are having problems with homework?

you are late to school?

you want to learn about school sports or clubs?

you are having trouble with a friend?

you need to do research for a history paper?

you need to add money to your lunch account?

you do not feel well during school?

your parents want to learn about resources and stay involved?

you can't open your locker?

you can't find your classroom?

you feel anxious about something that happened at school?
